

# COMMUNITY HOUSING OF MAINE

---

Because it doesn't make sense

to have people  
sleep outside  
because they have  
**MENTAL ILLNESS**

for people to  
languish in  
**HOMELESSNESS**

to keep people  
on the **STREET**

to house people in  
**JAILS,  
HOSPITALS,  
& SHELTERS**

creating homes and inclusive communities
